

Hillcrest Christian Softball

2017-2018 Banner Sales

Thank you for your interest in sponsoring our organization. Your anticipated generosity will help further our goal of raising funds to support our high school softball program. Your donation will greatly assist our organization in providing a quality program to our young athletes. The funds raised by our organization go directly to benefit our softball program by purchasing essential equipment including: mound clay, field conditioner, sand, softballs, on deck mats, base plugs, new bases, screens, tees, and other expenditures necessary to prepare our athlete for a successful 2017 season. Participation in high school softball athletics not only helps our young athletes to learn the basics of the game of softball and teamwork, but also learn life lessons of dedication, determination, and discipline. The support our community and sponsors can provide is essential to this mission. On behalf of the Lady Cougar Softball Booster Club, we hope you join us in a successful 2017 season.

We are proud to offer these two sponsorship options.

- 1) _____ (\$500) (Renewal- \$300) The option is a field banner that will stay up all season and be taken down after the season is over to keep the integrity of the sign. (We provide the sign).
- 2) _____ If you do not wish to do an advertisement sign but still want to help us out you may make a donation to the program as well.

Each spring you will receive a renewal form, if you still wish to be a Cougar Supporter, simply fill out the form and return it along with your reduced fee. If you do not wish to renew, just notify the HCS Booster Club and we will remove your sign with no further obligation. This is a nonprofit, 501(c) (3) and your contribution is tax deductible to the extent allowed by law (Tax ID # 93-1304909). Please check one of the sponsorship options and complete the form if you wish to participate.
