

# Summer Reading for Incoming 2<sup>nd</sup> and 3<sup>rd</sup> Grade

Even though summer reading is not required for these students, we do want them to maintain their reading skills over the summer. We encourage them to read at least 15 minutes every day, and on trips it would be great to do a read-aloud book together. Summer is a wonderful time to enjoy books!!

The children may come to the school and test on books they have read. Please call the school before you come and make sure there is someone here to let you in the computer lab.

Those children who read, test, and pass at least 10 books this summer will be recognized and rewarded when school starts. Of course, they can read more than 10! It is a great way to get a head start on points for the new school year.

If you have any questions about AR this summer, contact me at [plum@hillcrestchristian.org](mailto:plum@hillcrestchristian.org).

Have a great summer and don't forget to read!!
